Campus Superior Message

Rev.Fr. Vinoth Kumar MMI

Dear Parents, Teachers, and Students,

Warm greetings to all!

The month of April brings with it a well-deserved break for our students after a year of hard work and dedication. As the holidays are underway, it is a time for our children to rest, rejuvenate, and spend quality moments with family and friends. While relaxation is important, we also encourage our students to make their holidays meaningful. Reading good books, engaging in creative hobbies, helping at home, and learning small life skills can make this time both enjoyable and enriching.

To our dear parents, thank you for your continued partnership. Your support plays a vital role in your child's growth and development. Let this holiday season be a time of joy, reflection, and preparation for the exciting new academic year that awaits us.

Stay safe, stay blessed, and enjoy the break!

Warm regards,

Fr. P.I Vinoth kumar MMI

Principal's Message

Dr.M.P.Johnson

The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education”.

-Martin Luther King Jr.

Dear Students, Parents, and Guardians,

As we step into April, the spirit of growth and renewal is all around us. This month marks a crucial period in our academic calendar, with preparation for new academic year, new projects, and important milestones. I encourage all students to stay focused, manage their time wisely, and seek support when needed.

April also reminds us of the importance of balance—between academics, extracurricular activities, and personal well-being. Let's continue to foster a positive school environment where kindness, respect, and resilience are valued and practiced every day.

To our parents and guardians, thank you for your ongoing support and partnership. Together, we can help our students to achieve greater success.

Wishing everyone a successful and productive month ahead!

Warm regards,
