Dear Parents, Teachers, and Students,

Greetings to you all!

The month of August reminds us of our nation's priceless gift of freedom. As we celebrate Independence Day, let us instill in our young minds the importance of patriotism, unity, and service to society. True freedom comes with responsibility, and as educators and parents, it is our duty to guide our children to use their freedom wisely and purposefully. This month also brings opportunities for learning, growth, and participation in various school activities. I encourage our students to take part wholeheartedly, to learn values of teamwork, discipline, and perseverance. With the support of our dedicated teachers and cooperative parents, we can shape our children into leaders of tomorrow.

Let us together make this month one of commitment, progress, and gratitude. May God's blessings be upon our school and every family associated with it.

With prayers and best wishes

Rev Fr P I Vinoth Kumar MMI

The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education”.

Dear Parents, Teachers, and Students,

Warm greetings to all!

The month of August holds a special place in our hearts as we celebrate our nation's Independence Day. It is a time to remember the sacrifices of our freedom fighters and to instill in our children the values of patriotism, unity, and responsibility. Let us encourage our students to grow as proud citizens who not only dream but also work towards building a stronger and brighter India. This month is also a period of renewed focus on academics and co-curricular activities. I urge all students to make the best use of the opportunities provided to them, whether in classrooms, sports fields, or cultural events. Consistent effort, discipline, and a positive attitude will always lead to success.

To our dear parents, I extend my gratitude for your constant support and cooperation. Together, let us continue to nurture our children to become confident, compassionate, and competent individuals.

May this August bring joy, growth, and inspiration to every member of our school community.
