FEBRUARY 2025

Faith Formation

"" Luke 1:37 - For nothing will be impossible with God."

HOLY MASS:

1st Friday HOLY MASS

Campus Superior Message

Rev.Fr. Vinoth Kumar MMI

Dear Parents, Teachers, and Students,

Greetings from Fr. Vinoth kumar MMI

As we step into the month of February, we continue our journey of learning, growth, and excellence. This is a crucial time for our students as we approach the final examinations in March. I encourage all our young learners to stay focused, revise diligently, and seek guidance whenever needed. Success comes with consistent effort and perseverance.

Our teachers are committed to providing the best support, and I urge parents to create a conducive learning environment at home. Together, let us ensure that every student performs to the best of their ability.

Apart from academics, let us also remember to uphold the values of discipline, kindness, and teamwork, which form the foundation of true education. Wishing all our students the very best in their preparations. May God bless you with wisdom and strength!

Warm regards,

Fr. Vinoth kumar MMI

Administrator

Principal's Message

Dr.M.P.Johnson

The function of education is to teach one to think intensively and to think critically.
Intelligence plus character that is the goal of true education”.

-Martin Luther King Jr.

Dear Students, Parents, and Staff,

As we move into the month of February, I am filled with gratitude for the continued efforts, enthusiasm, and dedication of our DMI St Joseph school community. The start of the year has been a wonderful journey so far, and February offers us another opportunity to focus on growth, kindness, and learning.

This month, we celebrate the power of love and friendship through events like International Women’s Day, but it also serves as a reminder of the importance of respect, understanding, and compassion toward one another. Let’s take this opportunity to foster an environment where we support each other, embrace diversity, and build stronger relationships within our school.

February also marks an important time for academic focus. I encourage all students to stay engaged, set new learning goals, and continue putting forth their best effort. Remember that every challenge is an opportunity for growth, and with hard work, anything is achievable.

As always, I am proud of the progress we’ve made and the positive impact we are making together. Let’s continue to work hard, stay positive, and support one another as we strive for excellence.

Wishing you all a wonderful month ahead!

Warm regards,
M P Johnson
Principal
