NEWS LETTER JULY 2024

Principal's Message

"All the world's a stage. And we are merely players".-William Shakespeare

A school is one of the first and most essential stages for an individual where one shall learn one's and then get trained for the final and bigger acts later in life. We as tutors and guides, simply play our role in being the path enlighteners, enabling the children to trudge along until they find their confident footing.

I feel proud & congratulate my staff and the children, that they whole heartedly try to make this journey together, learning & succeeding together and making themselves worthy & capable Samaritans. This is evident from the expanding base of students in our school, the shining results in Academics and in the co-curricular activities.

A brilliant & glorious year that just went by boldly and confidently entering into the new academic year. I express my heartfelt gratitude to the Management for their unconditional support rendered at all times that assures peak performance without any compromises.

I would also like to put on record the incessant assistance and cooperation of all the teaching & non-teaching staffs that help us run this institution smoothly.

Last and in no way least, a special thanks to all the parents to putting their faith and confidence in us.

I wish you all good luck and let's work harder to achieve bigger and better milestones in this academic year 2024 -25.
