NEWS LETTER

JULY 2025

Faith Formation

So faith comes from hearing, and hearing through the word of Christ. "Romans 10:17 -

Campus Superior Message

Rev.Fr. Vinoth Kumar MMI

Dear Parents, Teachers, and Students,

Warm greetings to you all!

As we step into the month of July, we find ourselves fully engaged in the rhythm of the academic year. July is a month of renewed energy — a time when learning deepens, talents unfold, and young minds begin to shine in both academics and co-curricular activities.

The rains of this season remind us of a simple truth: just as the earth blossoms when nourished, so too do our children flourish when guided with care, discipline, and love. Let us work together to instill in them the values of perseverance, humility, and responsibility. At DMI St. Joseph Global School, our mission has always been to provide holistic education — an education that not only imparts knowledge but also builds character. As Mahatma Gandhi said, “The future depends on what we do in the present.” The habits and values our children practice today will shape the society of tomorrow. Dear teachers, I extend my heartfelt appreciation for your dedication in nurturing every child. Dear parents, thank you for your continued trust and partnership. And to our dear students, remember: success is not measured only by marks, but by the effort you put in, the kindness you show, and the courage with which you pursue your dreams.

Let this month be one of growth, unity, and joy. Together, let us continue to inspire excellence.

With blessings and best wishes,

Rev Fr P I Vinoth Kumar MMI

Principal's Message

Dr.M.P Johnson

The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education”.
-Martin Luther King Jr.

Dear Parents, Teachers, and Students,

Greetings from DMI St. Joseph Global School!

The month of **July** marks the true rhythm of the academic year. By now, our students have settled into their classes, embraced new learning opportunities, and begun working steadily toward their goals. July also brings with it a spirit of **growth and renewal**. As the rains nurture the earth, let us also nurture our minds with knowledge, our hearts with compassion, and our character with discipline. As Albert Einstein rightly said, *“Education is not the learning of facts, but the training of the mind to think.”* This month, we encourage our children to participate actively in both **academics and co-curricular activities**, as every experience adds to their confidence and holistic development. Our teachers continue to dedicate themselves tirelessly, guiding each child with care and commitment.

Dear parents, your cooperation and encouragement remain a great strength for us. Together, let us help our children grow into responsible, confident, and compassionate individuals.

Wishing everyone a productive and inspiring month ahead!

With warm regards,

Johnson M P

Principal

DMI St. Joseph Global School

- PA-I EXAM
- INVESTURE CEREMONY
- NO PLASTIC DAY
- FIRE STATION VISIT
