Campus Superior Message

Rev.Fr. Vinoth Kumar MMI

Dear Parents, Teachers, and Students,

Greetings and welcome to a brand new academic year!

June marks a fresh beginning — a time for new goals, new dreams, and new possibilities. As the school reopens after the summer break, I extend my heartfelt wishes to every member of our school family for a fruitful and fulfilling year ahead.

At DMI St. Joseph Global School , we remain committed to nurturing not just academic excellence, but also values, discipline, creativity, and character. Our focus this year will continue to be on holistic education — where each child is encouraged to think, express, explore, and grow in a safe and supportive environment.

To our dear students, remember: every day is a chance to learn something new, to try harder, and to be kinder. Your journey is unique — make the most of every moment.

To our teachers, I thank you for your dedication and passion. You are the pillars of our institution. And to our beloved parents, thank you for your trust and continued cooperation. Together, we can build strong foundations for our children's future.

Let us begin this academic year with renewed energy, shared vision, and a heart full of hope. May June be the start of something truly wonderful for us all.

Warm regards,

Principal's Message

Dr.M.P.Johnson

The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education".
-Martin Luther King Jr.

Dear Parents, Teachers, and Students,

Greetings to all!

The month of June marks the beginning of a new academic year, and with it comes a renewed sense of purpose, hope, and excitement. As we reopen our school doors after the summer break, we welcome back our students with open arms and open hearts.

A new year is like a fresh page — full of opportunities to grow, learn, and become the best version of ourselves. Let us begin this journey with clear goals, positive habits, and strong values. I urge all students to be consistent in their efforts, kind in their actions, and disciplined in their routine.

To our teachers, thank you for being the guiding lights who inspire and shape the minds of tomorrow. Your dedication makes all the difference. To our dear parents, we value your continued support and partnership in every step of our students' journey.

This month, let us focus on setting academic goals, building friendships, and developing a safe and inclusive school culture. Let us also encourage regular attendance, neatness, and respect — for ourselves, others, and our environment.

Wishing you all a joyful and successful start to the academic year!
