Campus Superior Message

Rev.Fr. Vinoth Kumar MMI

Dear Parents, Teachers, and Students,

Greetings to you all!

As we conclude the academic year with the successful completion of our annual examinations, I take this moment to express my heartfelt appreciation to our students for their hard work, to our teachers for their dedication, and to our parents for their constant support.

March marks a time of reflection and renewal. It is a time to look back with gratitude and look forward with hope. While the exams are now behind us, the lessons learned—both academic and personal—will guide us as we move ahead.

Let us continue to encourage our children to use this break wisely: to rest, read, reflect, and recharge. A balanced blend of relaxation and purposeful activity will prepare them well for the new academic year.

May this season of transition be filled with joy, peace, and blessings for all our families.

Warm regards,

Fr. Vinoth kumar MMI

Principal's Message

Dr.M.P.Johnson

The function of education is to teach one to think intensively and to think critically.
Intelligence plus character that is the goal of true education”.

-Martin Luther King Jr.

Dear Students, Parents, and Staff,

As we step into the month of April, we are reminded that growth and renewal are all around us — not just in nature, but in ourselves as well. This month symbolizes fresh beginnings and new opportunities to learn, lead, and grow, both inside and outside the classroom.

April often marks a crucial phase in the academic year. For many of our students, it's a time to consolidate knowledge, develop new skills, and prepare for upcoming assessments with focus and determination. I encourage each of you to approach these challenges with confidence and curiosity. Remember, success is not just measured by grades, but by the effort, persistence, and resilience you show along the way.

To our teachers and staff, thank you for your unwavering dedication and for creating an environment where students feel supported and inspired. Your commitment makes all the difference. To our parents and guardians, your partnership continues to be the foundation of our students' success. Let us work hand in hand to nurture not only academic growth but also empathy, integrity, and kindness in our children.

As we enjoy the longer days and the signs of spring, let's embrace this season of possibility with open minds and positive spirits.

Wishing you all a productive, joyful, and inspiring April!

Warm regards,

Principal, DMI St.Joseph Global School, Yagapuram
