Campus Superior Message

Rev.Fr. Vinoth Kumar MMI

Dear Parents, Teachers, and Students,

Greetings to you all!

The month of August reminds us of our nation's priceless gift of freedom. As we celebrate Independence Day, let us instill in our young minds the importance of patriotism, unity, and service to society. True freedom comes with responsibility, and as educators and parents, it is our duty to guide our children to use their freedom wisely and purposefully.

This month also brings opportunities for learning, growth, and participation in various school activities. I encourage our students to take part wholeheartedly, to learn values of teamwork, discipline, and perseverance. With the support of our dedicated teachers and cooperative parents, we can shape our children into leaders of tomorrow. Let us together make this month one of commitment, progress, and gratitude. May God's blessings be upon our school and every family associated with it.

With prayers and best wishes

Rev Fr P I Vinoth Kumar MMI

Principal's Message

Dr.M.P.Johnson

The function of education is to teach one to think intensively and to think critically.
Intelligence plus character that is the goal of true education”.
-Martin Luther King Jr.

Dear Parents, Teachers, and Students,

Warm greetings to each one of you!

The month of October brings with it a spirit of joy, celebration, and learning. As we move forward in this academic year, we are proud to witness the growth and achievements of our students in both academics and co-curricular activities.

This month encourages us to reflect on two important values — **unity and responsibility**. With national celebrations like Gandhi Jayanthi and a series of festivals symbolizing light, peace, and togetherness, October reminds us to cultivate harmony in our hearts and communities. Let us guide our children to appreciate cultural values, respect diversity, and grow as compassionate human beings.

We also emphasize regular attendance, discipline, and consistent learning. Parents are requested to support children in developing good study habits and completing their assessments on time. Together, let us ensure the holistic development of every student entrusted to our care.

May this month bring renewed energy, positivity, and success to all. Let us continue to work hand in hand to shape our students into **Global Citizens for a Better Tomorrow**.

Wishing everyone a blessed and fruitful October!

With warm regards,
