

DMI ST. JOSEPH GLOBAL SCHOOL YAGAPURAM

RUN BY MMI FATHERS

NEWS LETTER

September 2024

Faith Formation

"Teach us to number our days, that we may gain a heart of wisdom."

- Psalm 90:12."

Campus Superior's Message

Rev.Fr. Vinoth kumar MMI

Dear Teachers, Students and Parents,

As we step into the vibrant month of September, we are reminded of the beauty of new beginnings. The start of a new month brings excitement, opportunities, and a renewed sense of purpose. It is a time to embark on new adventures in learning, to make new friends, and to deepen the bonds that make our school a nurturing community. For our students, I encourage you to approach each day with a spirit of curiosity and determination. Every challenge you face is a stepping stone toward becoming the person you are meant to be. The lessons you learn here—both in the classroom and beyond—are not just about academics; they are about growing in compassion, respect, and understanding for one another. Remember, success is not measured solely by grades but by how much effort you put into each task and how you treat those around you. To our dear parents, we recognize the vital role you play in nurturing and guiding your children. Your support and encouragement are the foundation on which their growth is built. Together, we are partners in the journey of education, and I invite you to stay connected with the school, communicate openly, and be actively involved in your child's learning experience. Let us remember that education is most meaningful when it takes place within a community of love, support, and shared values. May this new month be filled with blessings for all of us. May we grow in knowledge, faith, and love, lifting each other up in every circumstance. Let us be open to the opportunities . God has in store for us, knowing that His plans are always for our good. With prayers and blessings for a fruitful month,

Yours fraternally

Rev.Fr. Vinoth kumar MMI

Principal's Message

Dr.M.P.Johnson

Education is the most powerful weapon, which you can use to change the world

- Nelson Mandela

Seasonal greetings to all the teachers & colleagues and their families, to all students and parents and wish them a healthy and happy life. School's purpose is to educate the Children to enable & motivate them to take their place as leaders of the nation, industry & businesses by giving a comprehensive education. At the school, the students' needs are a priority and traditional values are respected and encouraged. DMI St Joseph Global Senior Secondary School offers opportunities for an all-round development of children with equal importance for Curricular, co-curricular as well as sports & games activities. In addition to the above, a new initiative Robotics and Artificial Intelligence Lab has been launched to equip students with 21st century skills. The curriculum emphasizes the acquisition of knowledge, understanding, critical thinking, and problem-solving abilities for all students attending our school. We believe that every learner is unique and special and that they all have the ability to learn. We believe it is our responsibility as educators to nurture and develop every learner to prepare them for life. Learners are continually encouraged to appreciate our diverse community and to care for others by becoming global citizens, and develop a concern and active respect for the environment. All our teachers strive for excellence by preparing students for learning beyond their school years and assisting them to become lifelong learners, as well as helping them to be self-directed, realistic, and responsible decision makers when solving problems that they will encounter in our multicultural, ever-changing world.

Adhere to your responsibilities before demanding your rights

All the best to our children for a eventful Second term

ACADEMIC INITIATIVES

We have conducted regular classes as per the schedule. We have conducted September 5 teachers day and September 6 sports day celebration. And also ECA classes and hand writing classes and coding and robotic classes were conducted as per the schedule.
